*** POSTAL APPROVED ***

*Crayex is now listed as an approved postal polywrap manufacturer by the federal government. Crayex **PostalPlus** and **PostalPlus T** films have been approved under USPS specification T-3204.*

*Use of Crayex **PostalPlus** and **PostalPlus T** films qualify bulk mailers for automation rate discounts without any further action on your part.*

- PostalPlus** - approved down to 1 mil (thinnest allowable by postal standards).
- enhanced stiffness for superior machineability at thin gauge allowing for increased throughput.

- PostalPlus T** - same great properties as our **PostalPlus** film and is treated to allow for printing, coding, and/or secure adhesion of labels.

Both films are available in custom widths starting at 5" for singlewound and 10" for centerfold sheeting.

Best of all, with Crayex as your postal approved film supplier you get the same great quality and service that has set us apart in the industry for over 35 years.
