

Protecting Your Brand With Our Reputation

GRAPHICS/BANNER

Let's face it – even the simplest message needs the proper media for display. When it comes to our banner products, consistent high quality is our nameplate. Our ability to custom manufacture a wide variety of size and gauge makes us the banner line of choice.

- Superior layflat
- 1 or 2 side treat available
- Short lead times
- Consistency of product
- Stocking program - item specific
- Quick quote response times
- Large O.D. rolls can be custom manufactured

Blockout

- Excellent opacity and block
- Minimal gloss
- Formulated for screen and offset litho applications
- Enhanced white appearance

Litho

- Stiffer film for consistent processing
- Reduced static for enhancement of sheet to sheet feeding

Flexo

- Semi-stiff material for roll to roll printing
- Custom sizes 10" and larger - gauge dependent
- Various colors available
- Multiple treat levels available for solvent or UV ink applications

Screen

- Flexible for downstream sewing/heat seal/grommeting
- Static controlled
- Performs well with solvent and UV ink applications
- Designed for better "slide" of film over vacuum table
